

THUNDERRIDGE SELECT MEN'S CONCERT WEAR MEMO

Dear gentlemen and parents:

Welcome to ThunderRidge Honor's Chorale! This is a brief note explaining our ensembles this year. We are going to use Stage Accents (www.stageaccents.com) as our vendor for choir outfits.

The cost of the whole ensemble is \$72.00 plus shipping (usually \$12.00) when purchased together. These items are on stock at Stage Accents, which means the cost is no different if I order it bulk or if you purchase individually. Therefore, to save the hassle of taking measurements, placing orders, and collecting the money I ask that you order directly from the vendor. I would recommend talking with other choir members and purchasing together to help offset the shipping cost.

If you have a shirt or pants already that look very similar to these, then you may purchase the other items individually, simply look them up by the item number found below. When you pull up the item, there will be a size chart on the page listed. Please have someone (adult) at home measure you using the chart found. Don't measure yourself. If you order the wrong size, you will have to pay shipping again to send it back and have it replaced.

P.S. If you purchase pants, hemming will probably be necessary so plan appropriate time to have this done

Costs are as follows:

tux pants	\$28.00	(#8510)
vest	\$29.00	(#8471)
shirt	\$13.95	(#8000)
bow tie	\$3.00	(#6002)
